

## Privacy Statement

### Collection of Information

Personal information provided in this form is collected and held by ShopCare for the purposes of providing you with information relating to ShopCare events and activities. This may include:

- Emailing you a regular ShopCare newsletter;
- Contacting you about current and future activities and initiatives being implemented by ShopCare or other industry members; and/or
- Inviting you to participate in ShopCare research studies or project teams.

ShopCare will use the information provided to establish and maintain a secure database for use by ShopCare personnel only.

Any information provided to ShopCare is done so voluntarily. You are able to update your details, or unsubscribe to future communications by contacting [shirley@shopcare.org.nz](mailto:shirley@shopcare.org.nz).
